

REMARKS

Claims 35 through 38 and 41 through 58 are pending in the application. Claims 35 through 37 and 41 through 46 have previously been withdrawn from consideration. Claims 38 and 47 through 58 were rejected by the Final Office Action mailed on August 16, 2005. An Advisory Action maintaining the rejection of Claims 38 and 47 through 58 was mailed on November 17, 2005.

Claims 38, 47, 51, and 55 are amended herein and the amendments are supported by the as-filed specification and drawings. In particular, the amendments are at least supported by the specification at page 11, line 24 through page 12, and by Figures 3B, 4A, 4B, and 4C.

The amendments to the claims herein further distinguish the claims from the references cited in the Final Office Action.

ENTRY OF AMENDMENTS

The amendments to Claims 38, 47, 51, and 55 above should be entered by the Examiner because they are supported by the as-filed specification and drawings and do not add any new matter to the application.

CONCLUSION

Claims 38 and 47 through 58 are believed to be in condition for allowance, and an early notice thereof is respectfully solicited. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, he is respectfully invited to contact Applicant's undersigned attorney.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Devin R. Jensen", with a long horizontal flourish extending to the right.
